Oxford University

"The Internship Office at the University of Oxford supports Transparency At Work, an initiative to promote work transparency for those undertaking internships"

Marianne Thyssen

A first training experience is often the necessary stepping stone for young people to be propelled into their careers. But this training experience must be valuable and the conditions must be transparent.

The Adecco Group

"The Adecco Group is very happy to become an official sponsor and partner of Transparency at Work"

The background is a solid teal color with several white hexagonal outlines of varying sizes and orientations scattered across it. The text is centered in the middle of the frame.

Impact cannot happen in isolation.

It requires collective action.
